

Building Blocks Collection | Side Table/Stool

A monochromatic side stool based on honest materials and pure form. Its minimal profile brings design diversity from every perspective and each component is curated to form a whole when paired with other Building Blocks pieces, the black version is made from ash wood seat/top, natural leather with metal structures.

Materials: blacken metal, leather and balck stained ash wood
Dimensions: W17.5 x D14 x H19 inches

COM/COL and custom metal finish available upon request
