

Half Table Lamp

A table lamp that plays with contrasting elements of roundness and sharpness, darkness and light. Designed with a half-hollowed sphere bisecting a rectangular base and a thin square frame, the monochrome fixtures are illuminated by a light that turns 40 degrees on each side.

Materials: or powder-coated golden black and linen/silk shade
Dimensions: W20 x D11 x H17 inches
Lamping: G9 2700K/3000K dimmable, UL Listed

Custom metal finish available upon request
